› **Individual advice:**

Learn everything about applications, doing a vocational training or studying in Thuringia, as well as about the compatibility of career and family.

› **Job fairs and events:**

Meet companies and our team at job fairs as well as at Job-Speeddatings and employer forums.

› **Local expertise:**

Take advantage of our know-how on Thuringia's job market and our extensive network.

All our activities are free of charge! Follow us for news and events:

ABOUT US

We are the point of contact for everyone who wants to work and live in Thuringia. With our diverse offers, we quickly and easily connect skilled workers, Thuringian employers, and other

stakeholders from the job market and the economy. To achieve that, we work closely together with Thuringian counseling centers, projects, and organizations.

„We regularly offer consultation days all over Thuringia for commuters and those interested in returning back to their home region in our state to work and live.“

Oliver Hummel

„We assist people from abroad with all questions regarding their journey into the Thuringian job market.“

Rona Freiberg

„We show pupils and students professional and career paths and connect them with Thuringian companies.“

Rubén Gonzalez
